

Indian Science Technology and Engineering facilities Map

Linking Researchers and Resources

DIGITALLY

(Digital India Week)

Dr. Sanjeev Kumar Shrivastava

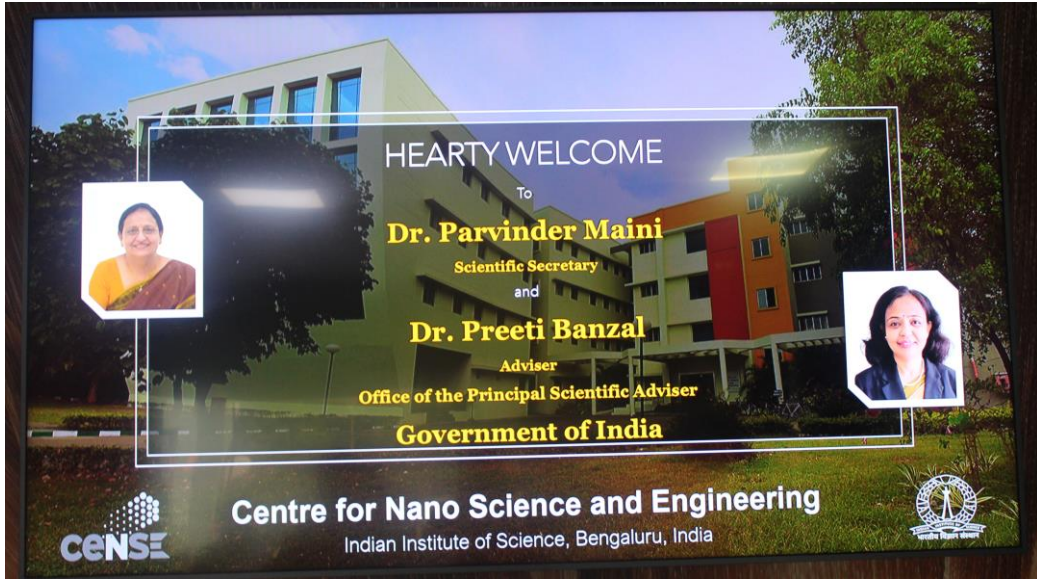

National Coordinator

Indian Institute of Science Bangalore

sanjeevs@iisc.ac.in, 1800-425-3281, 9620203281

Supported by the Office of The Principal Scientific Adviser,
Govt. of India

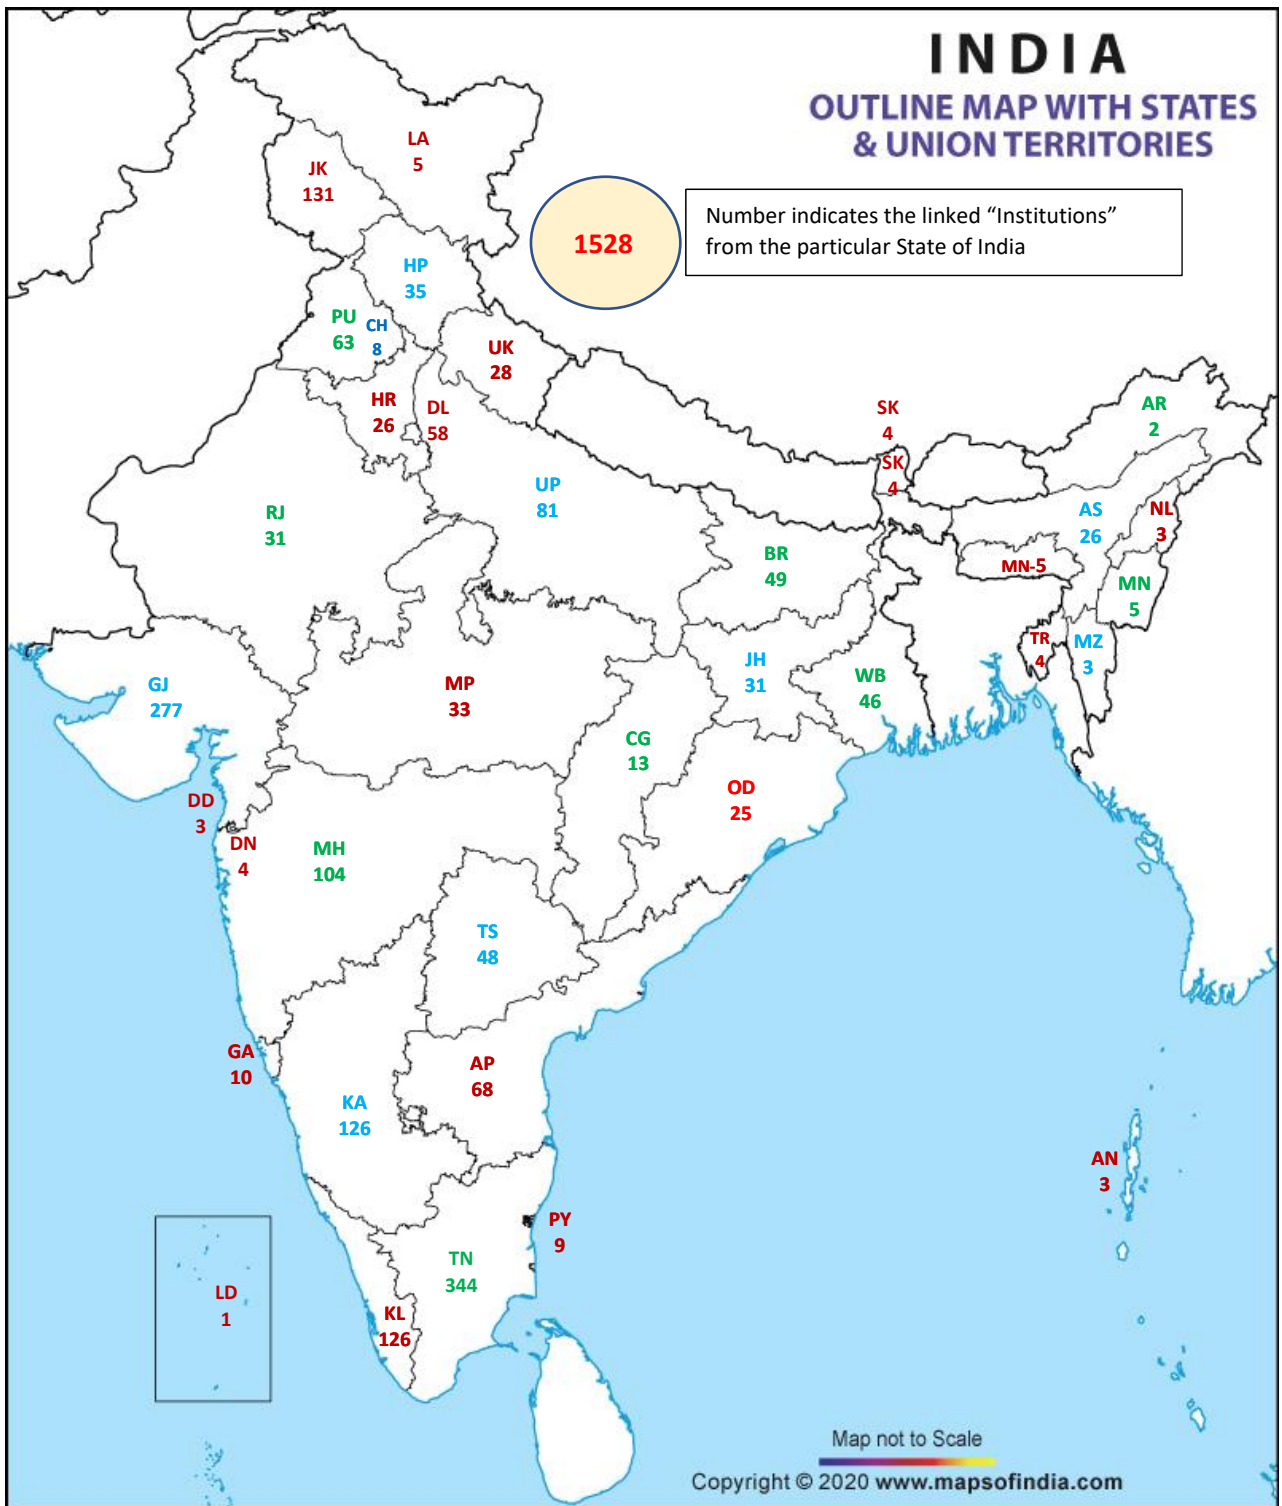

July 2022

I-STEM in DIGITS

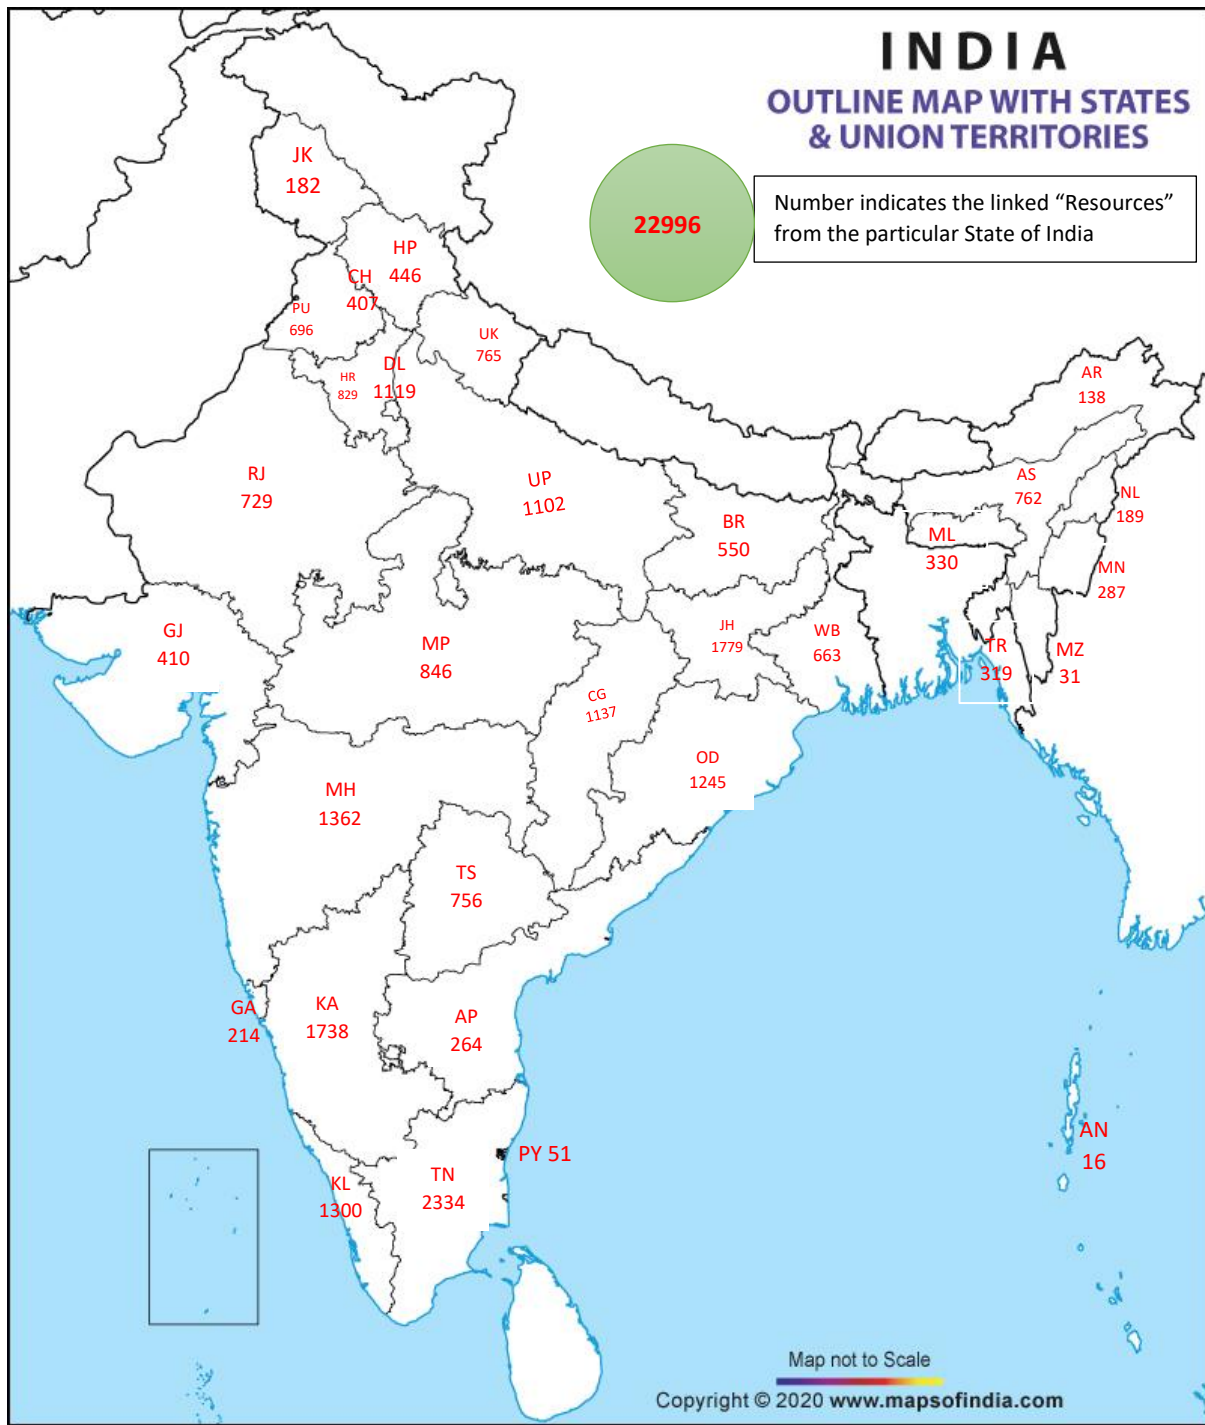

S. No.	Items	No(s)
1.	Linking of Institutions/Organisations	1528
2.	Geographically Dispersed Resources (Equipment)	22996
3.	Researchers/Custodians Linked with I-STEM	16034
4.	Research & Skill Development Projects through I-STEM	27
5.	Researchers utilising Software through I-STEM	571
6.	Personnel trained on Various Equipment/Software	2034

Linking of Institutions/Organisations: State-wise

Researchers/Custodians Linked with I-STEM: (State-wise)

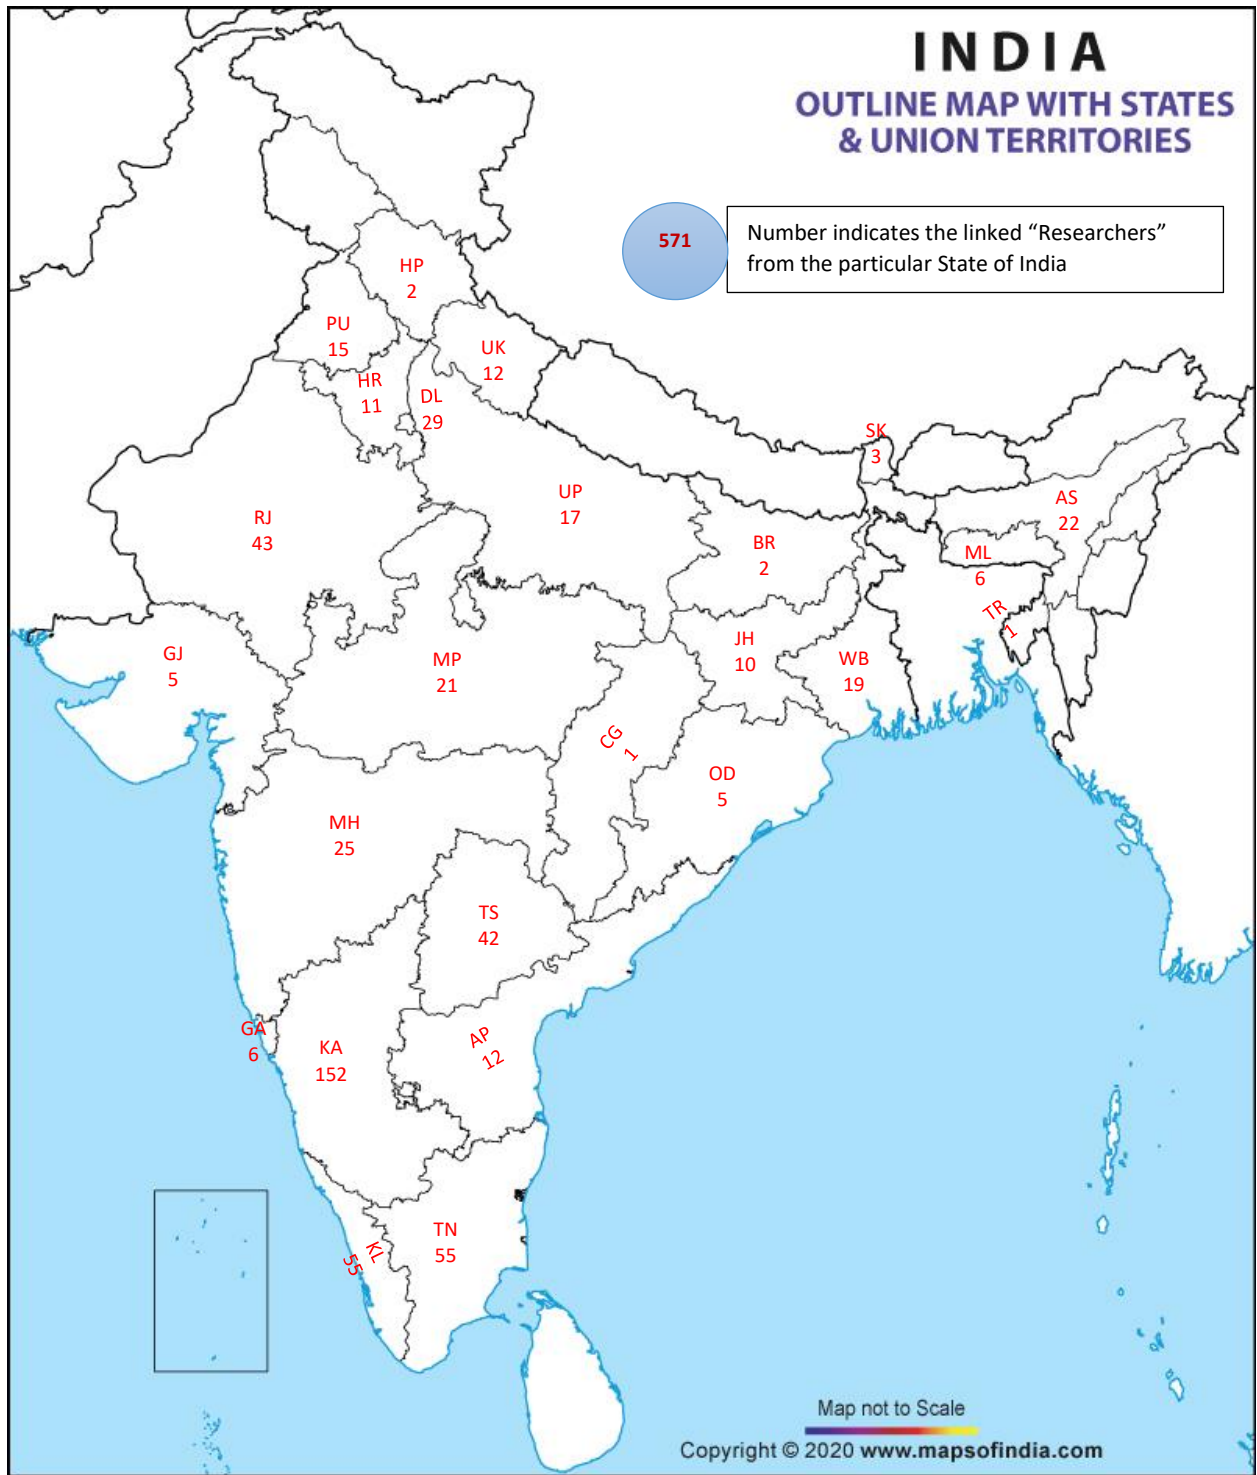

Research & Skill Development Projects through I-STEM: State-wise

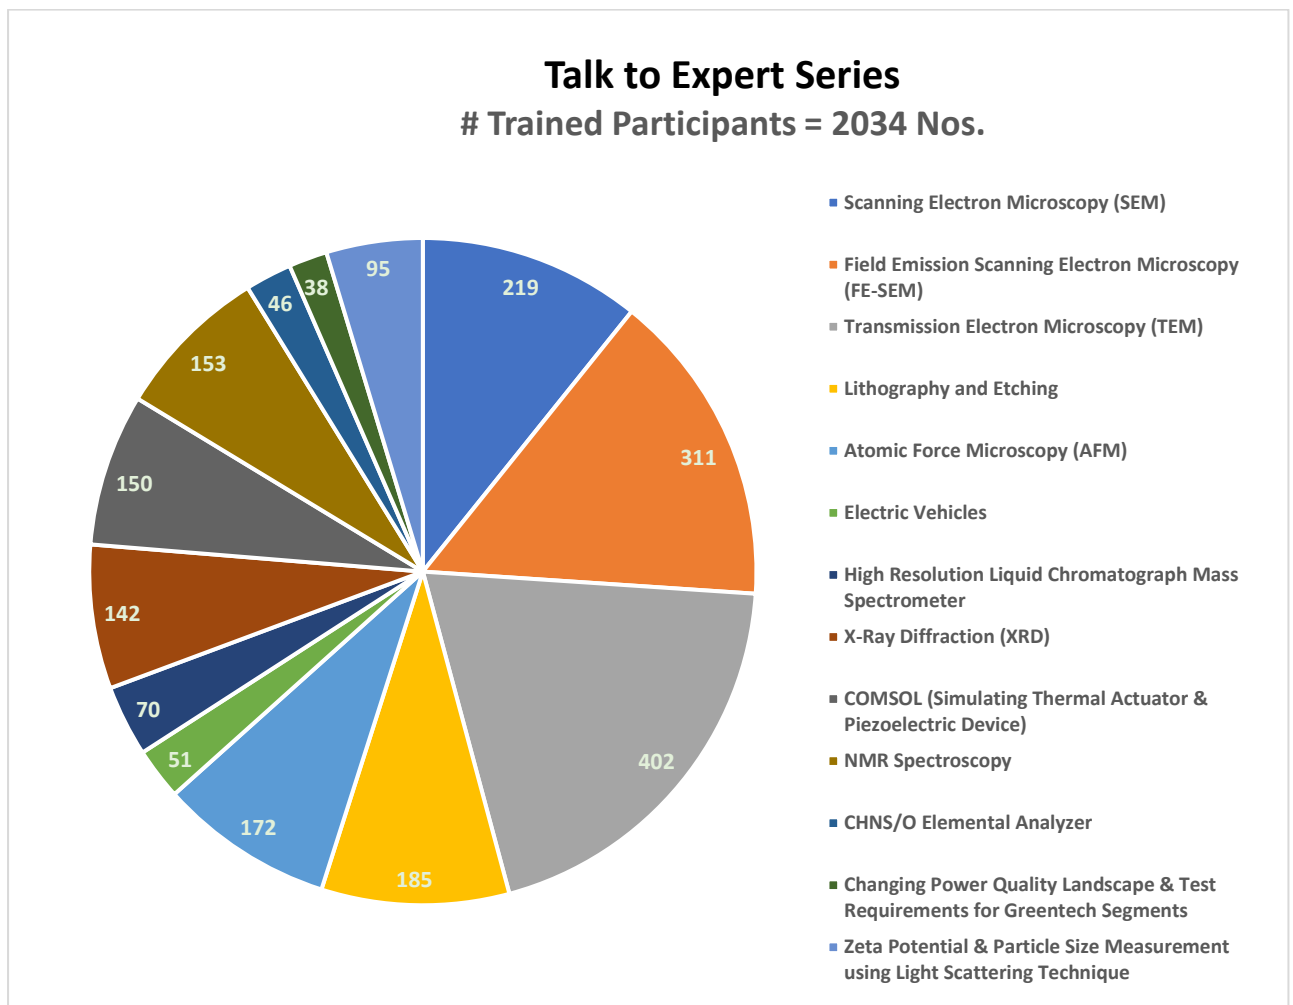

Research Domains: <https://www.istem.gov.in/rd-infrastructure-map/supported-projects>

<i>Biotechnology</i>	<i>Environment & Sustainable Development</i>	<i>Physics</i>	<i>Civil</i>
<i>Chemical waste treatment</i>	<i>Chemistry</i>	<i>Orthopaedic Implant</i>	<i>Nanoscience and Genomics</i>
<i>Materials Science</i>	<i>Battery for Electric Vehicle Application</i>	<i>Water Treatment</i>	<i>Dentistry</i>

COMSOL MULTIPHYSICS 6.0

Personnel trained on Various Equipment/Software: Online Mode

The learning materials (recorded videos) are uploaded on I-STEM portal for the needy researchers.
