November 17, 2021

Dr. Chitra Gautam
Senior Scientist
CSIR-National Physical Laboratory
Dr KS Krishnan Marg, Pusa, New Delhi, Delhi 110012

Dear Dr. Gautam,

It is my great pleasure to inform you that based on the recommendations of the Director, CSIR-NPL, I accord my approval as the Chairman of the Senate of AcSIR, for recognising you as an **Assistant Professor** of the Academy in the Faculty of **Physical Sciences**.

May I mention that your position at AcSIR is honorary and remains valid as long as your contribution is commensurate with the 'Eligibility Criteria to be an AcSIR Faculty' which can be accessed in AcSIR Handbook available on AcSIR website.

I look forward to your rich and significant contributions to teaching and/or research objectives of AcSIR. Now, as a faculty of AcSIR, it is implied that you would indicate your affiliation with AcSIR (in addition to your affiliation with CSIR institute, CSIR-NPL) in the author details of all your future research publications, for your continued faculty association with AcSIR and its future upgradation.

I hope you would find your association with AcSIR professionally rewarding and academically satisfying.

With best wishes,

Sincerely,

Rajender Sangwan
