Instructions

1. This hall ticket is valid only for the examinations mentioned in the table above.
2. Please check all the information given in this hall ticket carefully. If there is any discrepancy in your course package or identification information, please contact WILP Registration Cell at registration@wilp.bits-pilani.ac.in immediately. Always quote your BITS ID No. and name in all email transactions.
3. You must keep this hall ticket during the examination along with one of the government issued photo identity card like Aadhaar, Passport, PAN or Driving License. You will NOT be permitted to appear in examinations without the hall ticket.
4. You are required to have a Laptop / Desktop with an embedded Camera / separate Web Camera unit and a **Secondary Camera with a wide angle view** for appearing for the Online Proctored Examinations. Please note that this is mandatory. Note that in case you do not have Two Cameras, you will not be able to take the exam. You will NOT be permitted to attempt the exam using a Mobile Phone.
5. Please check the course number and course title that appear on the question paper and ensure it is the same as per hall ticket.
6. For online proctored examinations, you should login using the link at the scheduled time and submit your Photo & ID Proof for the cross verification by the proctors. Please note that for ID Proof, you have to present only the downloaded Hall Ticket. Please don't present any other ID card as your ID Proof in the system.
7. Refer to the Mandatory IT and Non-IT Infrastructure Requirements for Online Proctored Examination Instructions & Test Guidelines for taking Online Proctored Examination, Process Manual for Taking Online Proctored Examination, FAQ's on Online Proctored Examination documents mailed by WILP Team for taking the exam. You can also refer to exam announcement made on the eLearn portal.
8. You can submit your answers either by typing in their answers in the Text box provided for the question (or) Scan and upload the handwritten answers on A4 size papers onto the Wheebox system. Answers submitted in any other form will not be considered valid for evaluation. For some of the course exams, students will be permitted to submit their answers to the exam questions only by typing in their answers for the questions in the Text box provided below the question. For these course exams, specific instructions will be given in the exam question paper that they need to submit their answers to the exam questions only by typing in their answers for the questions in the Text box provided below the question. For these course exams alone, students can't submit their answers to the exam questions by scanning and uploading their handwritten answers. For these course exams alone, scanned and uploaded handwritten answers will be considered invalid and will not be considered for evaluation.
9. Proctor (Invigilator) will be your first point of contact for all your support requirements during the exam. You can chat with Proctor through the Chat Window during the exam. In case you are facing any exceptional issues in uploading the hand-written answer scripts using QR code during the exam, please bring it to the attention of the Proctor.
   Please note that any exam answer scripts shared through email will be considered as invalid and it will not be considered for evaluation.
10. The below activities are **strictly NOT permitted** during the exam:
    - Using Bluetooth / Headphones / Earphone / Smart Watches / Kindle / iPods during the examination.
    - Someone standing / sitting near the student.
    - Student talking to someone.
    - Mobile Phone usage is strictly not allowed other than contacting the Exam Helpline number or attending the call from Exam tech support team for resolving the issues faced during the exam or for scanning and uploading the hand written answers on the online examination platform.
    - Moving away from Camera and thereby from the Proctorâ€™s supervision.
    - Face not visible to the proctor (In such case, student should readjust the focus of the Camera to make their face visible to the proctor).
    - Use of Dual Monitors / Additional Screens / Extended Monitors.
    - **Usage of ANY messaging application (example - WhatsApp, Telegram..) during the examination.**
    - Internet searches and referring to other websites.
11. Use of any unfair means or malpractice would result in severe disciplinary action as per the rules of examination committee and may even lead to discontinuation from the programme.
