Subject: Request for validity extension of institute ID card till 31st July 2025

Respected Sir,

I am a PhD student bearing SR No: 17464, working under the supervision of Prof. Manish Arora (main supervisor) and Prof. Sai Siva Gorthi (co-supervisor). I joined the Ph. D. program of the institute in August 2019.

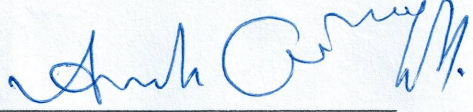

Owing to the COVID-19 pandemic and other logistics issues in procuring components and equipment my experimental work got delayed, which pushed back the timeline of my work. Subsequently the experimental results lead to a re-formulation of my research objectives which delayed the overall timeline of my PhD work. We have re-scheduled the timeline to wind up the research work and submit the thesis by July 2025. I therefore request your kind approval for extending the validity of my ID card till 31st July 2025.

Yours Sincerely,

Ansuman Sahu
