PROJECTS UNDERTAKEN

Project 1- Project on Design, Fabrication and Cost Estimation of 230 V to 6V/12V/24V Multi Charger

Project 2- Project on Calculation & Cost Estimation & Circuit Design of a 5 floor 2BHK multi store building.

My role - Group leader.

Application of the skills- AutoCAD, making Tap changing Transformer, rectifier circuit, communication skills.

COMPUTER SKILLS

Skill 1- dialux

Skill 2- SAP

Skill 3- Siemens 200

SOLAR SKILLS

Skill 1- Solar array

Skill 2- Solar resource

Skill 3- Solar system

STRENGTHS

1. Leadership skills
2. Communication skills
3. Quick Learner
