

RAMANANA GARI SHASHIKUMAR NIAK

Third year Int. MSc student at NISER

Male | 10th May, 2002

I am very passionate about learning new skills and reading books. I have sufficient skills to work in the industry and do research in drug development and asymmetric synthesis work. I have my uniqueness in seeing everyday things differently. I love to work in groups and also individually. I have a good experience at handling people.
