

I-STEM Software Request - Guide Approval Form

User Details

- Name of Researcher: Jonnala Venkata Sai Naveen
- User Type: Ph.D. Scholar
- Institution Name: Mahindra University
- Institutional Contact No: 040 – 67135100
- Research Topic: Magnetoelectric composite Materials

Software Request Details

- Software Name: COMSOL Multiphysics
- Justification for Software Request: COMSOL Multiphysics is essential for my research as it allows me to simulate and analyze complex, coupled physical phenomena like structural, Electrical, and MEMS in a unified environment. Its ability to integrate various physics models and customize simulations is critical for achieving accurate results in my research. This software will significantly enhance the efficiency, accuracy, and depth of my analysis, directly supporting the objectives of my project.

Guide/Supervisor Approval

I Dr. Pulla Kondaiah,

- Confirm that the above-mentioned researcher is affiliated with our institution
- Have reviewed the software request and its relevance to the researcher's academic work
- Approve the software request for research purposes

Approval Confirmation

- I approve the software request
- The software aligns with the researcher's research objectives
- The request meets the institutional research guidelines

Guide/Supervisor Signature: _____

Date: 17/03/2025
