Subject: Request for MATLAB Online Access for Research in Robotics and Control Systems

Dear Sir/Madam,

I am Nirmal Murmu, an Assistant Professor in the Department of Applied Physics at the University of Calcutta. I am writing to request access to MATLAB software through the I-STEM platform for academic and research use.

My current research areas include **robotics, machine vision, machine learning applications, and control systems**, for which MATLAB is an essential tool. I plan to use MATLAB Online for simulation, modeling, and analysis—important parts of my Ph.D. work, research projects, and academic responsibilities. It will also help in guiding undergraduate and postgraduate students in related areas.

I kindly request you to consider my application and grant access to MATLAB Online through the I-STEM portal. Please let me know if any other documents are needed.
Thank you for your time and consideration.

Enclosure: Copy of faculty ID card

Sincerely,

Nirmal Murmu
