Date :

**To**

Mr. Anirudha Deogaonkar

Assistant Professor

Department of Electronics & Telecommunication Engineering

Dr. D. Y. Patil Institute of Technology, Pimpri, Pune – 411018

**Subject:** Approval to Access COMSOL Multiphysics Software through i-STEM Portal

Dear Mr. Deogaonkar,

This is to certify that you are a faculty member in the Department of Electronics and Telecommunication Engineering at Dr. D. Y. Patil Institute of Technology, Pimpri, Pune.

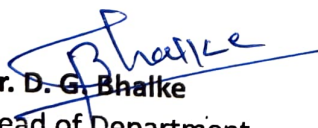

In view of your ongoing research activities in the field of semiconductor device modelling and simulation, you are hereby granted permission to access and utilize the **COMSOL Multiphysics** software through the **i-STEM (Indian Science Technology and Engineering facilities Map)** portal for academic and research purposes.

You are encouraged to make effective use of this advanced simulation tool for your independent research and to contribute to the department's research output.

We support your application and request the concerned authorities to kindly grant access to the COMSOL software as per the institutional guidelines.

With best wishes for your research work.

Sincerely,

**Dr. D. G. Bhalke**

Head of Department

Electronics & Telecommunication Engineering

Dr. D. Y. Patil Institute of Technology, Pimpri, Pune
