Respected Sir/Ma'am

Sub: Letter of approval to download and utilize COMSOL Multiphysics software

The project team under my guidance requires the use of COMSOL application for conducting simulations and analyses that are essential for the successful execution of their project titled *“High-Performance PEO-PANI Solid-State Electrolyte for Safer and More Durable Electric Vehicle Batteries.”*

Therefore, I grant my approval for them to download and utilize COMSOL Multiphysics software via the I-STEM platform, strictly for academic and research purposes associated with this project.

Yours sincerely

Dr. Brijesh Paul
