Dear Dr.Raman Namboodiri C. K sir,

My name is vishnupriya suchindran, and iam currently pursuing MSc physics (Advanced Materials)at kannur university. Iam writing to you today to respectfully inquire about the possibility of conducting my final MSc project under your guidance from march to may 2026.

I have gone through your research work and recent publications, which I found highly inspiring. I am very interested in your research area of Nonlinear Optics and i would be honoured to carry out my MSc project under your guidance.

I have attached my CV for your reference. I would be grateful for the opportunity to work in your esteemed research group.

Thankyou for your time and consideration.

Warm regards,
Vishnupriya suchindran
