

To,

The Head of the Department,
Department of Electrical Engineering,
Dr B R Ambedkar National Institute of Technology (Jalandhar)

Subject:- Request for department approval to get
I-STEM COMSOL Software user ID.

Respected Sir,

I am a second year M.Tech student in the department
of Electrical Engineering, working under the guidance
of ~~Dr. Sounak~~ Dr. Sounak Nandi.

For my research work, I need to access the COMSOL
software through the I-stem portal. The portal
requires a departmental letter or institutional
approval to issue the software user ID and Password.

I kindly request you to approve my request so that I
can obtain the COMSOL user account for my studies.

Thank you.

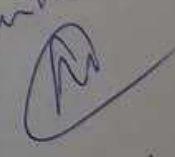

Yours faithfully,

Abhishek Bisht
