SELF-DECLARATION UNDER PREFERENCE TO MAKE IN INDIA ORDER

As per the revised 'Public Procurement (Preference to Make in India), Order 2017' dated 04 June 2020 (the 'Order'), we hereby certify that we M/s. NI Systems India Pvt Ltd (NI) are a CLASS-II supplier meeting the requirement of minimum local content (20%) as defined in the above Order.

M/s. NI Systems India Pvt Ltd is a wholly owned subsidiary of National Instruments Corporation (USA). NI India R&D has 200+ engineers and is engaged in the business of software development services. The content of NI's software and hardware drivers is developed in India based on the requirements specified by the principal National Instruments Corporation (USA) and delivered back to the principal and its affiliates, who then offer the products globally, including India. The system configuration, and system definition for our customers are done by M/s. NI Systems India Pvt Ltd (NI) and with the help of the software and hardware drivers our customers are able to use the systems for their specific applications.

Considering the above-mentioned activities, the percentage of local content will be approximately greater than 20% excluding manufacturing, transportation, insurance, installation, commissioning, testing, training and after sales service support like AMC/CMC etc.

We also understand, false declarations will be in the breach of the Code of Integrity under rule 175(1)(i)(h) of the General Financial Rules for which a bidder or its successors can be debarred for upto two years as per Rule 151 (iii) of the General Financial Rules along with such other actions as may be permissible under law.

Your faithfully,

Shitendra Bhattacharya
Regional Field Sales Manager – India
On behalf of NI Systems India Pvt. Ltd.
