CHETHAN.D

SKILLS

- I have a very good experience in PCB designing and implementing on board
- I have a very good experience on software for designing like
 - Design spark software for pcb designing
 - Eagle software for pcb designing
 - Autoleveller software - creates code for bottom G-CODE For PCB manufacturing machines
 - MACH3 Software to control CNC MACHINE controller
 - I Do have a good experience IN manufacturing PCB IN both manual using chemicals or automated machine
- I have studied and have very good knowledge on
 - Electronic measurements and testing techniques
 - Logic design using verilog
 - Industrial automation
 - Embedded c programming
 - Digital electronics and electronics components and devices
 - Fundamental of electrical and electronics engineering
 - And many subjects related to Electronic and communication
- I have a good knowledge on VLSI and 8051 MICROCONTROLLER
- I have a good knowledge and experience on AWS AMAZON WEB SERVICES
- I have a good knowledge in c programming and python

WORKSHOP

DERBI

DAYANANDA SAGAR ENTREPRENEURSHIP RESEARCH AND BUSINESS INCUBATION FOUNDATION, BANGALORE

WORKSHOP ON PCB DESIGN AND FABRICATION TECHNIQUES

EDUCATION

DAYANANDA SAGAR INSTITUTE OF TECHNOLOGY

BANGALORE 560078

I AM PURSUING DIPLOMA IN ELECTRONICS AND COMMUNICATION ENGINEERING 2ND YEAR

JAIN PU COLLEGE

463/465 NEAR GOPALAN ARCADE MALL BANGALORE 560089

I HAVE COMPLETED MY PU EDUCATION IN PCMB BACKGROUND

RMS INTERNATIONAL SCHOOL

KANAKAPURA MAIN ROAD BANGALORE 560062

I HAVE COMPLETED MY SCHOOLING TILL GRADE 10 IN CBSE STREAM

AWARDS

I have participated in many of the events and won the prizes also. like in which some of them are my hobbies too

The events like

- Workshop on PCB Design and Fabrication Techniques Organized by DERBI Foundation and awarded me as a good and fast learner
- Centre for innovation and leadership
- 2ND PRIZE IN DRAWING INTERSCHOOL LEVEL COMPETITION
- 1ST PRIZE IN SCHOOL LEVEL COMPETITION OF WIZ NATIONAL SPELL BEE

HOBBIES

- SKATING
- LEARNING NEW SKILL
- INTERESTED IN LEARNING DIFFERENT LANGUAGES
